Verifying Account

Step-1: Choose the correct authentication verify method

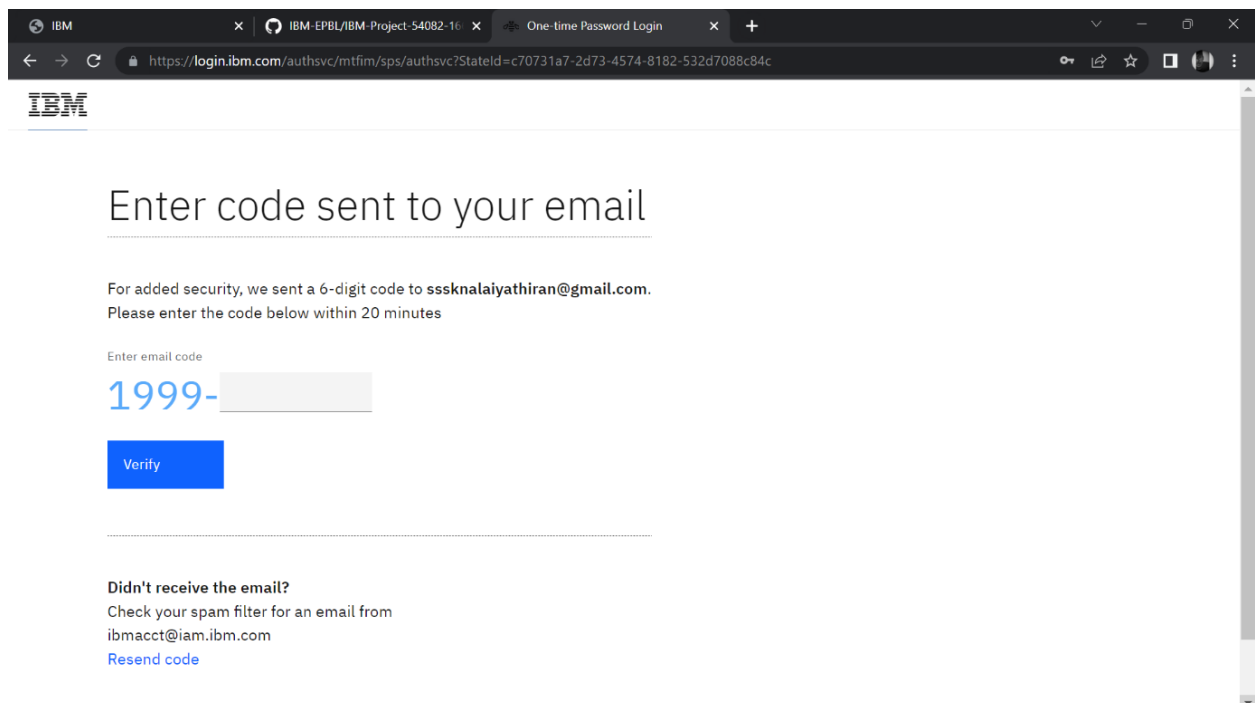

Step-2: Enter Correct Email-id for sending Otp

The screenshot shows a web browser window with the URL `https://login.ibm.com/authsvc/mtfim/sps/authsvc?StateId=ead0c335-d35e-4cfc-be9b-930b7b1383dd`. The page is titled "IBMId Multi-factor authentication enrollment for email OTP". It prompts the user to "Enter your email address". Below this, it states: "This email address is used for two-step verification. An OTP is sent to your email." The email address `sssknalaiyathiran@gmail.com` is entered in a text field. There are two buttons: "Use another method" (blue text) and "Send OTP" (blue button). On the left side of the page, there is an illustration of a laptop with a login form on its screen, a coffee cup, and a potted plant. At the bottom right, there is small text: "Licensed Materials - Property of IBM 5725-X36 © Copyright IBM Corp. 2017, 2022 All rights reserved. * Trademark of International Business Machines".

Verifying Account

Step-3: Enter the correct Otp by seeing the email which was provided previously.

The screenshot shows a web browser window with the URL `https://login.ibm.com/authsvc/mtfim/sps/authsvc?StateId=c70731a7-2d73-4574-8182-532d7088c84c`. The page is titled "Enter code sent to your email". It states: "For added security, we sent a 6-digit code to sssknalaiyathiran@gmail.com. Please enter the code below within 20 minutes". Below this, it says "Enter email code" and shows the code `1999-` followed by a text input field. There is a blue button labeled "Verify". At the bottom, there is a link "Didn't receive the email?" followed by the text "Check your spam filter for an email from ibmacct@iam.ibm.com" and a blue link "Resend code".

Step-4: Verifying and move to Login Page.
